

## Pupil Premium- Report for 2018/19

- Pupil premium monies are awarded to schools based on the number of pupils known to have been eligible for Free School Meals (FSM) in any of the previous six years, as well as those first known to be eligible at the January pupil count
- Schools are free to spend the pupil premium as they see fit. However, they will be held accountable for how they have used the additional funding to support pupils from low-income families
- Schools are also required to report to parents how much money we are allocated, what we spend the money on and what we expect the impact to be
- The school will evaluate the impact on individual and groups of pupils each term
- Evaluation will focus on academic gains as well as how pupils' self-confidence has developed as a consequence of the intervention
