

Valley Road Nursery Class

Set in beautiful surroundings and established over 25 years ago, the nursery class at Valley Road School is a wonderful opportunity for your child to grow in a safe and attractive environment.

The class is situated next to the Reception class of the main school and, as a part of the school's foundation stage, has the opportunity to use all of the school facilities. For pupils moving on to the main school transition is seamless and easy.

The nursery is fully integrated with Bishopswood Special School Nursery offering a unique experience for your child.

Our aim is to provide a warm, caring and stimulating environment, where children learn through a diverse curriculum, participating in both adult and child initiated play opportunities.

The nursery is staffed by fully qualified, long-serving professionals and, as part of Valley Road School has recently undergone a highly successful Ofsted.

Entry to the nursery class is the school term after your child's third birthday.

Sessions are term time only - from a flexible choice of:

9 - 12, 12 -3 or 9 -3.

We also offer a chargeable lunch club and extra sessions when available.

If you would like to visit please telephone for an appointment: 01491 573784/410191 or office.2512@valley-road.oxon.sch.uk
